Novation signs agreement with Graphic Controls Medical for consumable products

Graphic Controls Medical, Buffalo NY- announced today that it is one of two suppliers awarded a contract for Recording Chart Paper and Ultrasound Films from Novation, the leading health care supply chain expertise, analytics and contracting company for the more than 100,000 members of VHA Inc., UHC, Children's Hospital Association and Provista LLC.

The new contract starts January 1, 2014 and runs through December 31, 2016.

Graphic Controls Medical is well established with over 100 years of manufacturing and distribution expertise having locations throughout the USA, Canada, Europe and the United Kingdom. Regarded as a leading manufacturer of consumable products for patient monitoring solutions, Graphic Controls Medical is dedicated to its healthcare partners by providing flexible and adaptive solutions to meet today's clinical needs.

For more information on these or many of the other patient monitoring products available from Graphic Controls see <http://www.graphiccontrols.com/NA/Medical/Default.aspx>
